Delta Civic

1. EXECUTIVE SUMMARY AND REQUIREMENT UNDERSTANDING

Delta Civic offers a practical civic workflow design and competitive pricing with a 19-week plan.

COMMON PROCUREMENT REQUEST

Northstar Borough Council seeks a cloud-hosted case intake and service portal for citizens and staff. Required scope: migrate 120,000 records; integrate SSO, CRM and payments; support 2,000 concurrent users; go live within 24 weeks; provide accessible interfaces, audit logs, privacy controls and 12 months of support.

2. PROPOSED SOLUTION AND TECHNICAL APPROACH

Configurable portal, OIDC SSO and REST CRM mappings are described. Payments use hosted checkout. The plan targets 2,000 concurrent users but does not include a full load-test report. Migration includes sample reconciliation.
