1. EXECUTIVE SUMMARY AND REQUIREMENT UNDERSTANDING

Evergreen presents a strong prototype and privacy design, but staffing and total cost are uncertain.

COMMON PROCUREMENT REQUEST

Northstar Borough Council seeks a cloud-hosted case intake and service portal for citizens and staff. Required scope: migrate 120,000 records; integrate SSO, CRM and payments; support 2,000 concurrent users; go live within 24 weeks; provide accessible interfaces, audit logs, privacy controls and 12 months of support.

2. PROPOSED SOLUTION AND TECHNICAL APPROACH

Prototype demonstrates accessible intake flows, OIDC SSO, CRM event bus and hosted payment page. Autoscaling estimate is 2,400 users. Migration mapping exists, but no reconciliation threshold is defined.
