## 1. EXECUTIVE SUMMARY AND REQUIREMENT UNDERSTANDING

HarborPoint offers robust integrations and mature delivery controls, with a relatively high but well-defined price.

## COMMON PROCUREMENT REQUEST

Northstar Borough Council seeks a cloud-hosted case intake and service portal for citizens and staff. Required scope: migrate 120,000 records; integrate SSO, CRM and payments; support 2,000 concurrent users; go live within 24 weeks; provide accessible interfaces, audit logs, privacy controls and 12 months of support.

## 2. PROPOSED SOLUTION AND TECHNICAL APPROACH

Dual-region platform with OIDC SSO, CRM change-data capture and payment tokenization. Tested to 3,000 concurrent sessions. Migration uses full-count and hash reconciliation with rollback rehearsal.

## 3. IMPLEMENTATION TIMELINE, TEAM AND MILESTONES

Weeks 1-3 discovery; 4-11 implementation; 12-17 integrations and migration; 18-20 testing; week 21 rollout. Named programme manager, architect, four engineers and two testers; fortnightly steering committee.

## 4. PRICE TABLE AND ASSUMPTIONS (USD)

Platform build | 385000 | Fixed scope
Migration | 95000 | Up to 120000 records
Year-one support | 85000 | 24x7 critical cover
TOTAL | 565000 | USD excluding tax

## COMMERCIAL CLARIFICATION

All prices are fictional classroom values. Taxes are excluded. Only explicit inclusions in this proposal should be considered committed scope.
